### **Experience**

#### **SATashkent**

*SAT English mentor, admissions expert*

*June 2024 –Present*

Mentored students for the SAT English section, enhancing their comprehension, vocabulary, and critical reading skills. Guided them through the college admissions process, advising on essay writing and application strategies to highlight their unique strengths and achievements..

Responsibilities and outcomes:

- Developed an online 3-month curriculum to teach English section of SAT, that is still being used by company.
- Taught groups of **40+** students online, offering individual teaching style to each student.
- Conducted one-on-one sessions with under-performing students to address and strengthen their areas of weakness.
- Led free online webinars on admissions topics, attracting over 100 participants each session.

**30+** students scored **1350+** with **5** scoring **1450+**

#### **“Top 100 Uni Camp” - Held in collaboration with The Youth Agency of Uzbekistan and Freshman Academy**

*Admissions mentor*

*July 2024 – August 2024*

Chosen as one of the 10 mentors to educate 200 + young people (chosen out of 4000 applicants) for free over a week on the application processes for the world's top 100 universities.

Responsibilities and outcomes:

- Participated in the curriculum development process and created a presentation used during the camp.
- Held sessions for **2** groups of **20 +** students each.
- Actively participated in the selection process by interviewing **100+** students, evaluating their essays, and making decisions on the final list of 200 students out of 4000.
